Welcome to this mini-celebration of le cinéma français, sponsored by Blason de Bourgogne and organised by the team behind the familiar French Film Festival UK, which next year joins forces with the Renault French Film Season to become an all-encompassing showcase for French cinema: the Renault French Film Festival UK. Besides the films, in five key cities there will be wine tastings courtesy of Blason de Bourgogne (from Burgundy one of France's finest wine regions) who will help to create a festive atmosphere.
